Residency apartment in the heart of the happiest country in the World

The DESIGN Kuopio Residency apartment is located in a contemporary apartment building next to the Kuopio Academy of Design. It is suitable also for a designer couple or two designers, if you want to apply as a team. Even a family residency is possible. The selected designer oversees his/her own traveling, working and living expenses during the residency period. The residency apartment fee is 260 €/week and 690 €/month, including a shared studio space in the Kuopio Academy of Design's beautiful, historic office building.

Kuopio is a pleasant and peaceful city situated in Eastern Finland, surrounded by an exceptional scenery of forests and lakes, sure to inspire you in your work!
